

Please amend the subject application as follows:

IN THE SPECIFICATION:

Please amend the paragraph beginning at page 9, line 22 and ending at page 10, line 8 as follows:

--Referring now to Figures 8A and 8B, a wall 815 of the housing 202, 302 bordering the cavity 210, 310 (shown in Figure 8A as a back wall 815) includes a pin array 801 for connecting to a pin array 802 located on the media source 250, 350. When the media source 250, 350 is secured to housing ~~210, 310~~ 202, 302, the pin array 801 and media source pin array 802 transfer data to and from the media source 250, 350. Thus, the media source can be connected to external devices through the housing 202, 302. The external devices include, for example, a slave video display unit installed in another part of the vehicle, a security system, and a vehicle sound system.--
